**Power Climber Wind Announces
Jose Luis Martinez Estrada, Key Account Manager – Wind**

BRUSSELS/SEATTLE – Power Climber Wind, a division of SafeWorks, LLC announces Jose Luis Martinez Estrada has joined the company as Key Account Manager – Wind.

In this newly created position, Mr. Martinez is responsible for further developing sales and building strong relationships with manufacturers of wind turbine generators and is located in Northern Germany.

Dr. Martinez brings extensive key account management experience gained from project-driven work with AGC Automotive, Siemens, and Volkswagen.

In his most recent role as Global Key Account Manager for AGC Automotive Germany, Dr. Martinez established and maintained strong customer relationships to achieve budgeted sales targets for global accounts, with turnover of €104 million annually. He holds a Doctorate in mechanical engineering and his Bachelors degree in mechanical engineering and metallurgy, both from Leibniz Universität Hannover - the University of Hannover and a Bachelors degree from Polytechnic Institute, Mexico City.

Eric Thormann, Managing Director – Power Climber, states, “Dr. – Ing. Martinez’s record of building value in global account relationships and his extensive technical qualifications nicely complement our team of wind professionals. We’re anticipating growth in our customer relationships under his experienced guidance.”
